09126487212

OBJECTIVES

To obtain an industry environment position where I can apply my strong willingness to learn, positive attitude, and dedication to every task assigned. I aim to further develop my technical and professional skills, gain meaningful hands-on experience, and contribute to the team's goals in any way I can. Through this training, I hope to enhance my understanding of real-world work processes, improve my work ethic, and grow both personally and professionally in a supportive and growth-oriented environment.
